

GENERAL TERMS AND CONDITIONS OF THE DIVIRANK PORTAL

These General Terms and Conditions ("Terms") govern the rights and obligations between the operator of the DiviRank service and users of the www.divirank.cz and www.divirank.eu portals.

The service is operated by:

Karel Slabý
Lékořicová 172
104 00 Prague 10
Czech Republic
Company ID No.: 45252211

These Terms have been drawn up in the Czech language. In the event of any discrepancy between language versions, the Czech version shall prevail.

1. About the DiviRank Service

DiviRank is an online service designed for the organization and management of sports leagues and competitions.

In particular, the service enables:

- management of sports leagues;
- management of players and league members;
- scheduling of matches;
- entry of match results;
- automatic generation of standings and rankings;
- management of league rounds and final tournaments;
- reporting and statistics related to league operations.

DiviRank provides software and related services. The operator is not the organizer of individual sporting events, matches, or tournaments created by users.

2. User Account

Use of the service requires registration of a user account.

Users are required to provide accurate and up-to-date information and to protect their login credentials against unauthorized use.

A user account is non-transferable and may not be shared with other persons.

The operator is entitled to block or terminate an account in the event of a breach of these Terms or misuse of the service.

3. Leagues and User-Generated Content

The user who creates content in the system is responsible for that content.

In particular, the user is responsible for:

- the accuracy of entered results;
- the accuracy of player information;
- having the right to publish information entered into the system.

Users may not use the service in a manner that is contrary to applicable laws, generally accepted standards of conduct, or the rights of third parties.

4. Subscriptions and Payments

Certain features of the service may be provided for a fee in the form of a subscription.

The current subscription plans and their prices are published on the DiviRank portal.

Access to paid features begins once payment has been received and continues for the duration of the prepaid period.

Unless expressly stated otherwise, the subscription does not automatically renew after the agreed subscription period expires.

5. Service Availability

The operator endeavors to ensure high availability of the service but does not guarantee uninterrupted operation.

The service may be temporarily unavailable, in particular due to:

- maintenance;
- system updates;
- technical problems;
- force majeure events.

The operator is not liable for damages arising from temporary unavailability of the service.

6. Liability

DiviRank serves as a tool for organizing sports leagues.

The operator is not liable for:

- the accuracy of information entered by users;
- sporting results;
- the conduct or organization of individual competitions;
- disputes between league participants;
- damages arising from the use of, or inability to use, the service.

Users use the service at their own responsibility.

7. Personal Data Protection

The processing of personal data is governed by the separate “Privacy Policy” document available on the portal.

Information about the use of cookies is provided in the “Cookies” document.

8. Termination of Use of the Service

Users may stop using their account at any time.

The operator may block or terminate a user account in the event of a breach of these Terms or misuse of the service.

Following termination of an account, data may be retained for the period required by applicable laws or by the legitimate interests of the operator.

9. Final Provisions

Legal relations between the operator and users are governed by the laws of the Czech Republic.

The operator reserves the right to make reasonable amendments to these Terms. The revised version will be published on the portal.

These Terms are effective as of 13 June 2026.
